

Impact® Premium Scrubbing Flat Wet Mop Pads, 18 Inch, Blue, 12/bg - 10 bgs/cs

Engineered for demanding cleaning tasks, the Impact® Premium Scrubbing Flat Wet Mop Pad combines advanced microfiber technology with built-in scrubbing power for exceptional results. The highly absorbent microfiber layer retains fluids while helping reduce bacteria compared to traditional foam mops, making it a hygienic choice for professional environments. Integrated polypropylene scrubbing strips enhance performance by loosening stubborn soil, grime, and buildup in grout lines and textured surfaces. Designed for durability, this reusable mop pad offers excellent launderability and long service life. Its 18" flat profile ensures efficient floor coverage, making it ideal for use on tile, laminate, hardwood, and other hard surfaces in commercial and institutional settings.

Key Features

- A layer of microfiber for fluid retention makes it more bacteria resistant than traditional foam
- Excellent launderability
- Available in multiple colors for a coded cleaning system
- Scrubbing strips are made of a high-quality polypropylene for deep grout cleaning
